

Council Member Report for 2017/18

I was first elected a council member for Local 002 during the AGM held on March 14, 2015. I was re-elected at the March 19, 2017 Chapter 002 AGM.

Since my re-election, I have not missed any local 002 Council meetings save for an emergency meeting that was held in March of 2018. I attended all the Council meetings held in 2017. For example, I attended Local 002 Chapter 002 meeting held on June 24, 2017; and Local 002 Chapter 002 Executive Board Meeting held on November 18, 2017. I attended Local 002 Chapter 002 Special Meeting held on January 20, 2018. I attended the October AUPE Pre-Convention Council Meeting and the Convention as well. In all these meetings, I have actively participated and voted on issues.

For the past three years that I have been a council member, I have observed and learnt the process and procedures of AUPE Local 002 business. I do hope to use what I have learnt to serve in Committees so that I can contribute more meaningfully to the Chapter in particular and the AUPE in general. I presently serve as a member of the Hospitality Committee of Local 002 Chapter 002. I am very grateful for the opportunity that Council Membership has afforded me in the past three years!
