Other Information for Council Representative

As a convention delegate, I attended Convention and was actively involved in my duties as such including full attendance at convention and caucus meetings.

In December 2017 I held a "Soft" union meeting at my work place for members who work for Family Support Order Services. This meeting was onsite with the approval of our employer. We had approximately 50 people attend. Pizza lunch was supplied by AUPE. We had:

- many members update their information through Grey Cards,
- presentation on Edmonton and Spruce Grove Area councils
- Newly elected VP James Hart spoke
- Local 001 Vice Chair Paul Currie attended
- General information on AUPE
- MSO Sher Stinson attended

I have also been very active with the Spruce Grove/Stony Plain area council, serving another term as Treasurer and assisting the Chair in planning and attending events such as Wing nights, a children's Christmas Movie event, summer splash event, as well as ticket sales.

As of October I have sat on the AUPE Finance standing committee.

Respectfully submitted,

Lea Schmidt
